In the News

Congratulations to Science Olympiad teams who participated in Westlake last weekend. We had 1- 2nd place, 2- 3rd places, 1- 4th place, 1 - 5th place, 1 - 6th place, 3 - 7th place and 1 - 8th place winner. That is 10 events with top 8 finishes!

We also had 2 - 10th places, 8 - 11th - 15th placings and 9 - 16th - 20th placings. That is a total of 29 top 20 placings out of 41 teams- TERRIFIC!

Our overall finish was Black team #26: 19th, Grey team #27: 23rd, Red team #28: 24th. Great job to all and much gratitude to the coaches and parents who helped with the event!

Pick Up / Drop Off

We are very thankful for everyone exercising patience with pick up and drop off. To keep things running smoothly, please be sure at drop off to park and walk your student across the lot if you are unloading from a trunk, etc. Extended time in front of the doors causes traffic to back up. At pick up, please be sure to park in the spaces or continue to pull up and fill empty spaces. This will help alleviate traffic on the road and get you out of the lot and home more quickly and safely. We thank you for your continued help!
